Message from the Dean

The Library has always been there for the Northeastern community, making resources, services, and spaces available for learning and research, and being responsive to what is happening in the world. While the coronavirus may be novel, today is no different. Our staff is ready to help out wherever you are, and we have expanded our collections and programs to address not only the challenge of Covid-19, but the unjust inequities that continue to plague our society.

# Consultations and Requests for Assistance

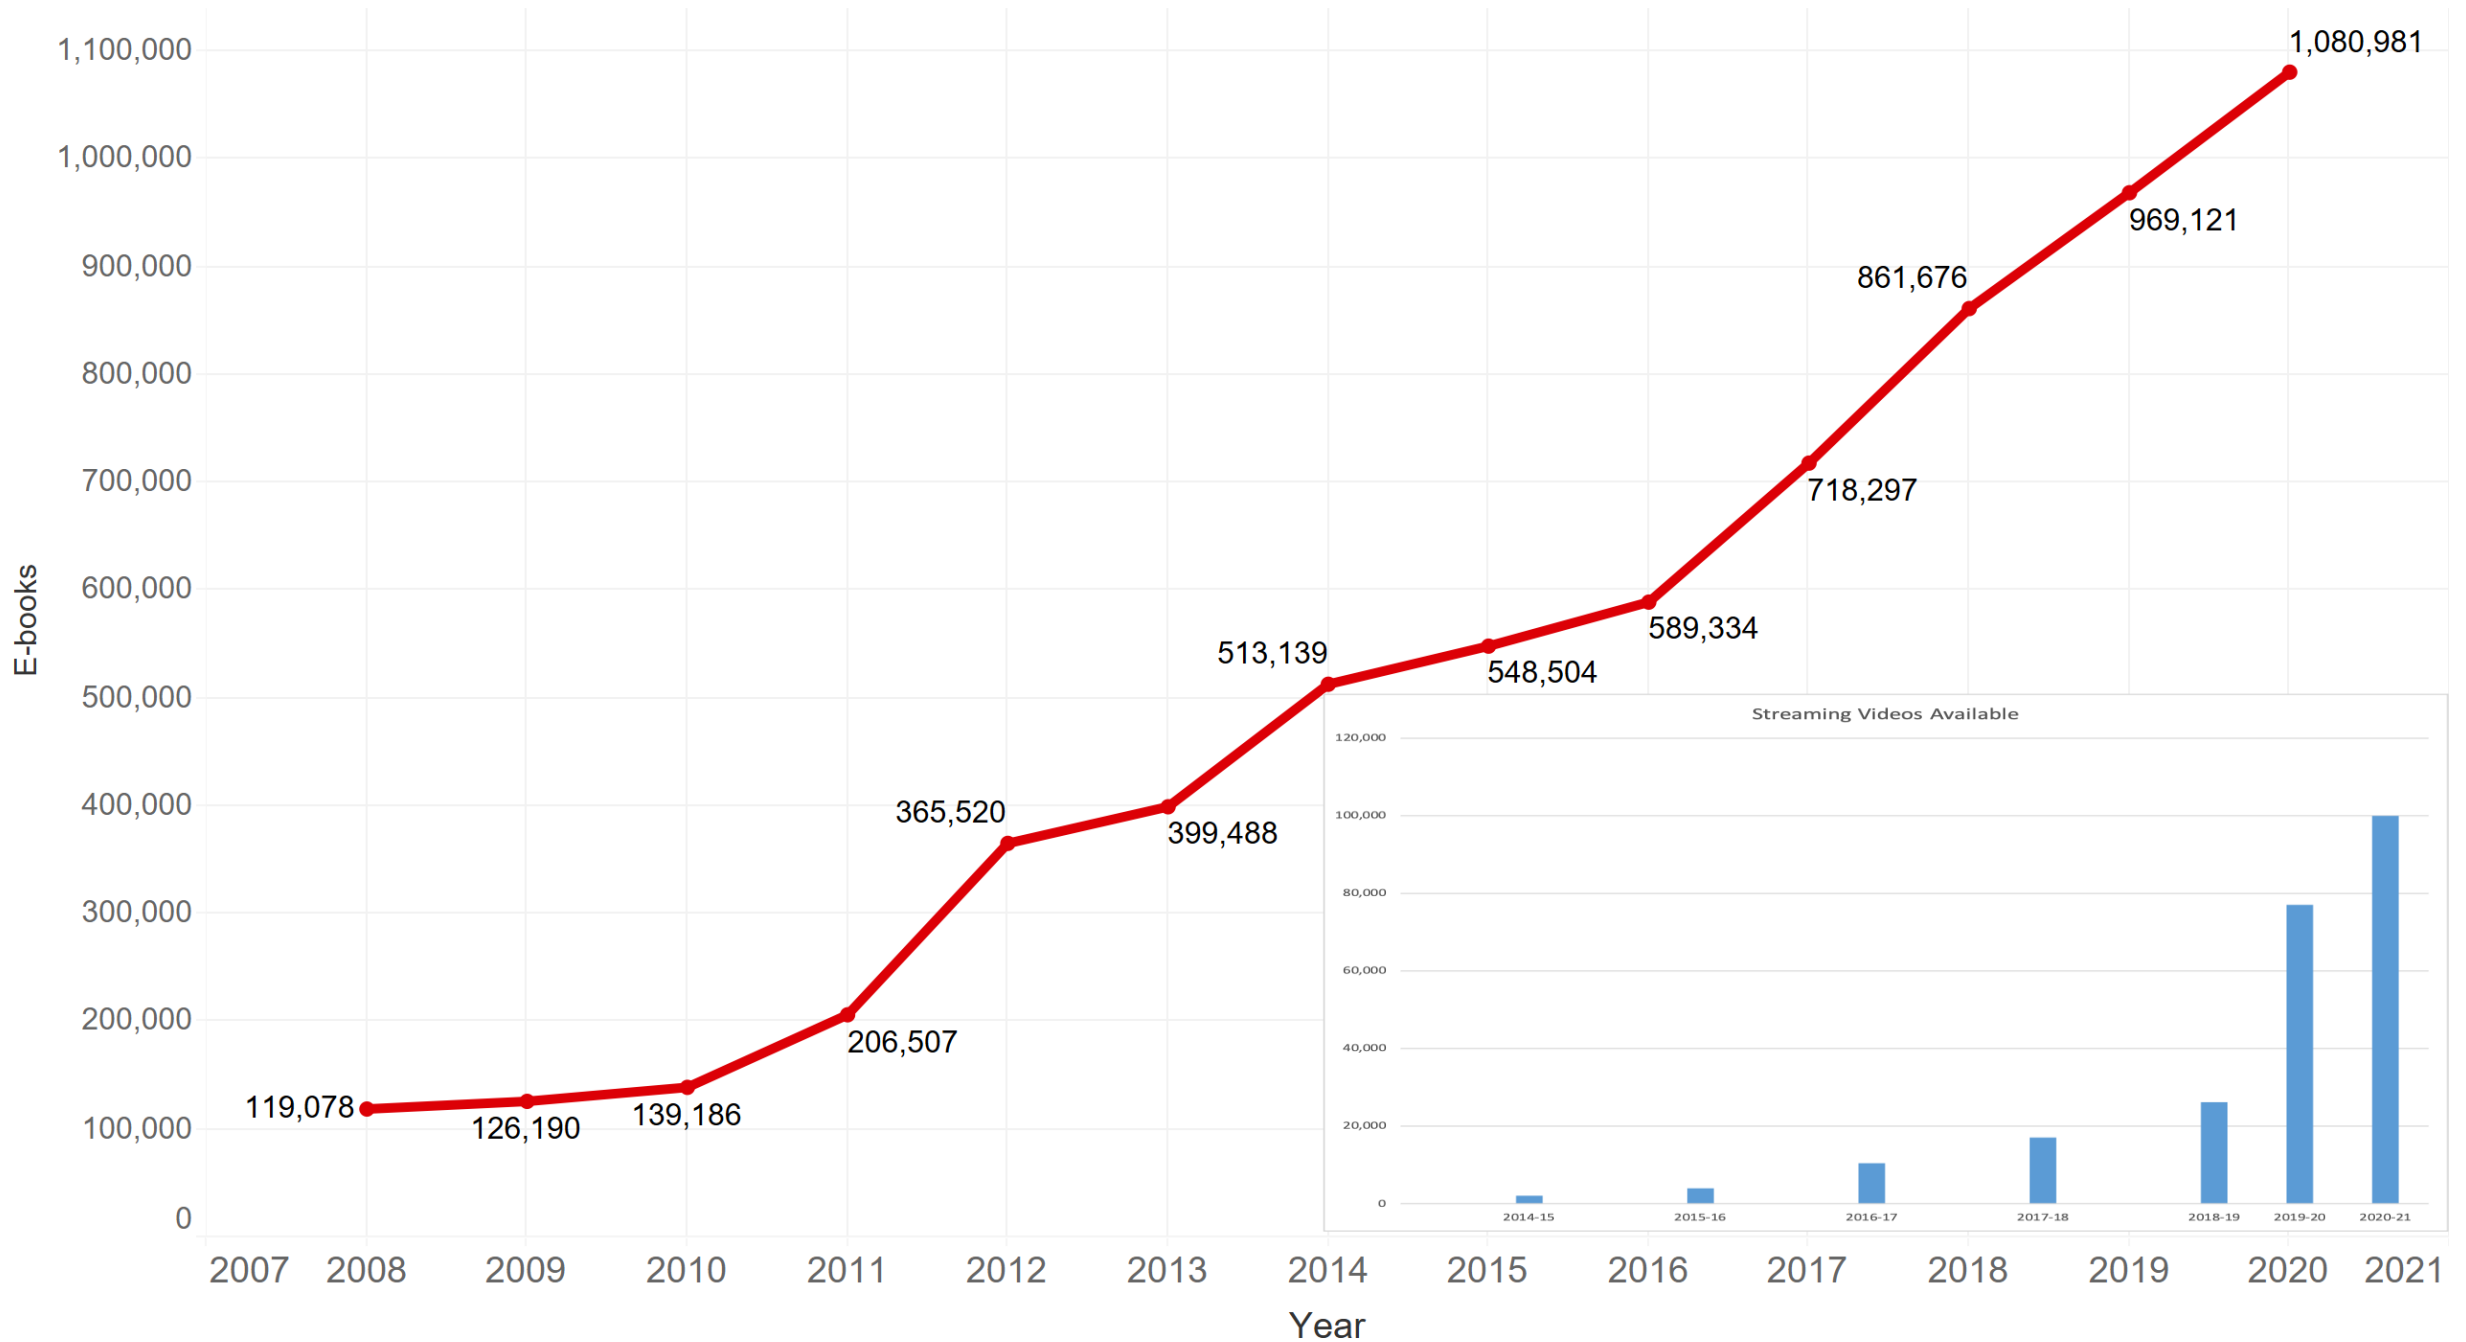

Since July 2018, **3,465** Students From **7** First-Year Programs Attended **152** Library Workshops

NUin	<p>The NUin Program is a unique first-semester experience for a select group of applicants to begin their fall semester studying abroad at one of our international partner locations or with NUin Boston. They then transition to Northeastern in January in order to continue their studies.</p>	<b>1,100</b> Students
First Year Engineering	<p>With a distinct focus on first year engineering education, the First Year Engineering Program at Northeastern University prepares undergraduate engineers with the fundamental building blocks needed for all College of Engineering majors.</p>	<b>851</b> Students
Explore	<p>If you are someone who has too many talents and too many interests to choose your major before you start your first semester at Northeastern, the Explore Program may be a good fit for you! As an Explore Program student, you will take the time you need to make informed decisions about your academic and career p..</p>	<b>588</b> Students
First Year Writing	<p>Many students assume that First-Year Writing will be similar to their high school literature or AP English courses. However, it is quite different. While you will expand on some of the skills learned in those courses, you'll also be learning rhetorical flexibility (how to write for different audiences in different situations..</p>	<b>351</b> Students
NU Immerse	<p>NU Immerse is a transitional experience for non-native English-speaking students, offering advanced English language preparation and an introduction to college culture through a year-long program in Boston or London.</p>	<b>277</b> Students
General Studies	<p>Each fall we welcome approximately 100 students into our friendly and vibrant community. Throughout their General Studies year, students work closely with their advisors to explore their academic and professional interests, fulfill requirements, and prepare to transition to a major at the beginning of their sop..</p>	<b>204</b> Students
Continue	<p>Offered through Northeastern's College of Professional Studies, Continue students enroll in two semesters of first-year courses. Students take classes as a cohort during the day on the Boston campus. Upon successful completion of the Continue program requirements and progression standards, students will trans..</p>	<b>94</b> Students
