

1415- 12

BE IT RESOLVED That, as of the 2015-16 academic year,

1. Each college (Bouvé College of Health Sciences, College of Arts, Media and Design, College of Computer and Information Science, College of Social Science and Humanities, College of Engineering, College of Science, College of Professional Studies, D'Amore McKim School of Business, and School of Law) is encouraged to select one faculty member by February 1 of each year for a *[name of College or donor]* Excellence in Teaching Award. Each college may determine for itself the eligibility criteria and procedure for its Award, with the exception that significant student participation is required. If the college wishes to nominate its Award recipient for the University Excellence in Teaching Award, it should forward the recipient's name and an explanation of why the recipient was chosen to the Faculty Senate Office by February 1.
2. The University-wide Excellence in Teaching Award process, last amended on 6 October 1997, is discontinued. In its stead, the following provisions shall apply:
 - a. The University Excellence in Teaching Awards Selection Committee shall consist of four faculty members (with two-year staggered terms) chosen by the Senate Agenda Committee; an undergraduate student chosen by the Student Government Association; a graduate student chosen by the Graduate Student Association; and the Provost's designee will chair the Committee.
 - b. The Committee will choose two of that year's college award recipients to receive the University Excellence in Teaching Award who will be honored at the University Honors Convocation.

This resolution was passed by the Faculty Senate at its meeting of 8 April 2015 by a vote of 34-1-0.
