

SAC Report

Faculty Senate Meeting
18 November 2020

SAC Activities since 4 November 2020

Met 2 times for usual business and worked offline with elected senators and senate committee members on potential resolution proposals for the December 2 senate meeting.

Two questions came up in interactions with elected senators:

Q: Will reduced cost daily parking benefits continue in the spring term?

Q: Can unit heads decide on remote work requests while keeping faculty appeal to provost as an option?

Met with Provost Madigan & Deb Franko once, in addition to email communications.

Topics of discussion included:

- Faculty remote work policy for Spring 2021
- Upcoming faculty handbook NTT faculty dismissal module
- Progress on gathering institutional data for senate committees

2021 Klein Lectureship announcement was sent out on November 13th.
