

# Future Faculty Fellowship

## Overview

Northeastern University and the ADVANCE Office of Faculty Development invite applications from candidates in all academic disciplines for the Future Faculty Fellowship post-doctoral fellowship program.

## Deadline

Tuesday, January 19, 2021 for fellowships beginning on or after July 1, 2021.

## Eligibility

Prospective fellows must have completed the Ph.D. degree by the start of their fellowship term and no earlier than four years before the start of the fellowship term. Applicants must be a citizen or permanent resident of the United States of America.

## Fellowship Terms

- Appointment for a 12-month term during the 2021–2022 academic year.
- Salary of \$60,000, plus health benefits
- \$5,000 towards conference travel and other research-related expenses
